

Please support a deserving young musician with a chance to attend Music Camp this year

Music camp bursaries are awarded to Richmond County youth based on a combination of musical ability, desire to learn, and financial need.

This is a great opportunity for local school students to become immersed in our music culture, to have direct coaching from some of Cape Breton's finest musicians and teachers and to spend social time in a musical setting, with other youth and adult learners too. Depending on the amount of bursary donations raised we will also award a bursary to one or two deserving adults from our region.

Student recipients are selected by Richmond County high school and grade school music teachers, once the total number of available bursaries is determined. Our target is to have ten (10) bursaries.

Cost of a Bursary Sponsorship

- Each bursary is \$195 (= value of Early Bird registration).
- Check is made payable to SPEDO-Music Camp.
- The sponsor does not need to take any further action.
- Every bursary is priceless for the experience and memories it brings to the recipients.

We are happy to accept donations of any size for a partial bursary sponsorship. We aim to have our bursary program funded by March 15. Thank you for considering this!
